

Draw N' Tell Story

 <p>There was a boy who lived by a lake.</p>	 <p>One day this boy decided to explore beyond his lake. He locked his door, grabbed his sack, and went out to seek his fortune.</p>	 <p>Along the way, he came upon some ruins and a great stone wall. He climbed to see the other side.</p>
 <p>Then he crawled over a great tree that had fallen upon the path.</p>	 <p>Finally, he made it to a castle that gleamed in the sun. This only made him think of home and how much he missed his everyday life.</p>	 <p>With all his adventures, he felt as if something was missing. He wanted to go home and headed along a smoother path. When he arrived, he discovered his key was no longer in his pocket. Yet, by the door upon the ground laid his key--safe that whole time.</p>
