

General Individual/Household Memberships with Story Crossroads

Frequently Asked Questions

How can you and your household benefit from having membership through Story Crossroads? Story Crossroads has a full listing at

storycrossroads.org/member that includes exclusive content and connections (articles, e-workbooks, Zoom hangouts), discounts with businesses, and reduced prices for Story Crossroads offerings like the upcoming Story Crossroads Academy with self-led tuition-based online storytelling courses.

How do I register? You can find registration at storycrossroads.org/member that is managed by Wild Apricot/AffiniPay. The activation is not official until payment is received. Offline and online payment are both accepted. Thus, you can invoice it and complete that day or soon after. We can also set-up your online payment through PayPal or Square/GPay. Otherwise, we accept a check written to “Story Crossroads” and mailed to PO Box 274, West Jordan, UT 84084. The activation day is based on the postmarked date.

What levels of membership are available for individuals? You have two options: student/teacher/retired teacher for \$25/year and general individual/household membership for \$50/year. If you are a teacher, then you receive the best pricing even when you retire. If your family has a student, all members benefit.

What permission do I need to use these materials? You can use the materials for personal use or within your household. Only our teacher-specific members have automatic permission to make as many copies of the exclusive content as needed for their class(es). If anyone else is interested in the materials, encourage them to become members (individual or organization) and receive referral points from us.

What if I encourage and/or find out that my organization/school becomes a member? What happens with my individual paid membership? We are willing to offer you a refund if you discover that your organization is a member of Story Crossroads. You could choose to remain an individual member and receive the emails. We may need verification regarding your connection to them and whether your membership dues through them are current, if applicable. Otherwise, you could stop individual membership at renewal time.

How do renewals work? Renewals are automatic. If you log in to your profile through Wild Apricot, then you can stop payment. You will receive an email reminder two weeks and a day before this date. At times, you will need to update your debit/credit details when your older one expires.
