

Organizational Memberships with Story Crossroads

Frequently Asked Questions

What can your members, employees, or volunteers benefit from having organizational membership through Story Crossroads? Story Crossroads has a full listing at storycrossroads.org/member that includes exclusive content and connections (articles, e-workbooks, Zoom hangouts), discounts with businesses, and reduced prices for Story Crossroads offerings like the upcoming Story Crossroads Academy with self-led tuition-based online storytelling courses.

How do we register our organization to be a Story Crossroads member? You can find registration at storycrossroads.org/member that is run through Wild Apricot/AffiniPay. Registration needs a main contact with your organization to sign up. The activation is not official until payment is received. Offline and online payment is accepted. Thus, you can invoice it and complete that day or soon after. We can also set-up your online payment through PayPal or Square/GPay. Otherwise, we accept a check written to “Story Crossroads” and mailed to PO Box 274, West Jordan, UT 84084. The activation day is based on the postmarked date.

What levels of membership are available for organizations? You have two options as an organization depending on if you have more or fewer than 100 employees/members/volunteers. For 1-100, the membership is \$100/year. For 101+ (unlimited), the membership is \$500/year. Choose the likely option for the year. If you bump to 101, then choose the unlimited option at renewal time rather than exactly at that increased moment. If you have fewer than 100 people mid-year, the same works in the opposite way.

How do we spread the word of the Story Crossroads memberships to our members/employees/volunteers? We have the Member Library with a password that will be sent to you. You can share this password in your own password-protected page on your website and/or share through an annual, monthly, or as-needed email to your members about how they can now access the exclusive content and discount codes.

What if someone is already a paid individual member with Story Crossroads but then wants to take advantage of our organizational membership? Do you need proof that someone is connected to us? We are willing to refund individuals if they discover that their organization is a member of Story Crossroads. People could choose to still be an individual member and receive the emails. We may reach out to you at this time to verify that they are current in their membership dues with you, if applicable.

How do renewals work? Renewals are automatic. If you log in to your profile through Wild Apricot, then you can stop payment. Your main contact will receive an email reminder two weeks and a day before this date. At times, you will need to update your debit/credit details when your older one expires.
